

Milos Facius

Digital communication & Service designer
Cand. It - Digital Design & Communication

Profile

I'm a Digital Design and Communication graduate from ITU. My belief is that good design is defined by the experience from the users perspective. My passion is to make these experiences relevant and beautiful.

Experience

Assistant @ Danmarks Radio (Diskoteket)

2016 - 2018

Digitalisation and registration of music, focus on hiphop/rap.
